

# Graduating from Basic Skills?

*What you need to know about membership in Starz of Houston FSC*

*Skaters participating in the Aerodrome Learn to Skate program receive USFS Basic Skills membership as a benefit. When is that not enough?*

## **When is the USFSA Basic Skills membership inadequate for my skater?**

- Skaters wishing to participate in USFS test sessions (for example, Pre-Preliminary Moves in the Field) must have a "full membership" affiliation with an accredited USFS club, such as Starz of Houston FSC.

## **When should my skater join?**

- The Starz of Houston FSC membership year begins on July 1 each year. You may join the club anytime during the year; however, late memberships (after August 1) may be subject to a late fee.
- Membership must be established at least 6 weeks prior to participating in a test session.
- Every Starz of Houston FSC member under the age of 18 must have an adult sponsor (parent or legal guardian).

## **How much does it cost?**

- New USFS members may take advantage of the Introductory Membership level: \$60.00 skater membership, \$25.00 sponsor membership

## **How do I join?**

- Pick up a form in the Aerodrome Pro Shop or print one from the club website at [www.starzofhoustonfsc.org](http://www.starzofhoustonfsc.org). Complete the entire form and return it to the Pro Shop, along with a check for the amount due.
- Your forms will be processed by the Starz of Houston membership committee and USFS. You will receive your card by mail from USFS.

## **Whom do I contact with additional questions?**

- Contact any board member via the club website.
