### Testing guidelines:

- Refunds are only given for a medical excuse from a doctor or a death in the family. If a skater cancels before the test session and we can find a replacement, then a refund will be issued.
- A late fee of \$25.00 is due with a testing form turned in after the deadline.
- If a skater is taking a contingent test and does not pass the underlying test, the contingent test fee will be retained by the club for the ice already reserved for the test session.
